

Terms and Conditions of Trade

February 2026

While it might feel a bit time-consuming to read the fine print, we do believe it is the best way to manage expectations and avoid any surprises. Our terms of trade set out what we will deliver to you and what we expect from you. The last thing we want is a mismatch in understanding and a poor outcome for you, the customer.

We believe in providing great service and we take pride in our standards. The terms of trade below serve as the criteria for all of the work we carry out. These terms override any agreements made in person, over the telephone, or in any other communication.

When you ask 24 Hour Electrical Services to carry out work on your behalf, you agree to uphold your obligations under these terms of trade.

If you have any questions please contact us on our website, 24hourelectrical.nz, Phone, 027 384 7913 or email at boe@24hourelectrical.nz. We take pride in what we do and would love for you to use us again and tell your friends. You can be sure that we want you to get the outcome you are after, as much - if not more- than you do.

After-Hours Call-Out Fee

Parking Permits/Tolls/Paid Parking

If in the course of undertaking work for you, we are required to pay for parking or any other vehicle travel costs, these may be passed on to you.

Additional Travel to the Job Site

We allow up to 30 minutes of travel time to your site. If we take longer than 30 minutes to travel to your job, the cost of this additional travel time may be charged to you.

Additional Travel Back to Office/Workshop

In some circumstances, if your property is located outside of normal travel routes, you may be charged for the time it takes for the tradespeople to travel back to the office/workshop. If it is more than 30 minutes, you may be charged for the extra time it takes the tradespeople to reach their destination. We as a firm, believe that it is good practice to pay the tradespeople when they are traveling for more than 30 minutes. The exception to this is normal travel to and from home in peak motorway traffic. This condition usually applies to work outside of the local area.

After-Hours Work

If in the course of a job, you ask us to do work which falls outside of normal working hours, we may have to charge you additional fees. If it has been arranged as a call-out, call-out fees will be applied. If not, additional fees will be applied to cover the overtime rates.

Cancellations/Rescheduling Appointments

- We are always happy to reschedule an appointment.
- If you need to cancel your appointment, please provide us with at least 24 hours notice.

Payment

- For call-out jobs and emergency jobs, payment is due when the work is complete unless we have made other arrangements. If you have been sent an invoice, payment is due as per the payment date on the invoice.
- Once your job is complete, you will be sent a final invoice by email.
- Please let us know before work commences if you would prefer an invoice to be mailed to you, as our default communication is email.

Deposits

- Some jobs will require a deposit before work commences
- If a deposit invoice is sent and remains unpaid before the work commences, we reserve the right to halt work until payment is made. We also reserve the right to cancel the contract entirely, if payment is late or delayed.

Progress Invoices

- Progress invoices are claims for work done on-site before the entire job is completed. This covers labour and materials for work done to date. The cost of materials and the amount of time spent on your job will dictate whether you will be sent progress invoices.
- As part of our agreement, you accept to pay these progress invoices when they are due. You understand that you cannot withhold payment for any reason.
- If for any reason work has paused on your job, you can request an invoice to settle the account by calling the office.
- We reserve the right to stop work if progress payments have not been made.

Disputed Invoices

- If you need to discuss any aspect of payment, please contact us immediately.
- If you are dissatisfied with the invoice, it is your responsibility to contact us immediately.

Unpaid Accounts

- If payment remains outstanding for over **20 days** from the invoice due date a late fee may be added to your account at our discretion.
- We reserve the right to charge 8.99% compounding interest calculated daily, charged monthly or part thereof for overdue accounts.
- Debt Collection costs may be added to invoices that remain outstanding for over **30 days** from the due date.
